

Quality Control Operator

Part Time Role (27.5hr / week)
2M Equest, Consett, County Durham

Are you organised with a keen eye for details?
Can you use your own initiative as well as being a team player?
Do you want to join our team and help maintain our high standards?

What you'll be doing...

Quality inspection and packing completed orders ready for dispatch

- Quality checking a percentage of finished orders on a spectrophotometer
- Visual inspection of all completed orders before packing ready for dispatch
- Identifying nonconforming products and recording relevant details
- Reporting all nonconforming products to the Production Manager
- Recording information from test sheets on to the computer

Your background...

Must have...

- Attention to detail, ability to spot defects
- Patience & Focus, can maintain concentration over long periods
- Integrity & accountability, honest about findings and doesn't overlook issues
- Take responsibility for ensuring only quality products are dispatched
- Basic IT skills
- Have a basic understanding of Health & Safety
- Be a team player
- Have a positive attitude

Nice to have...

- Experience using a spectrophotometer
- Experience in a quality control role
- Organisational skills

What we can offer you...

- Generous holiday allowance with buy/sell holiday scheme.
- Genuine professional development opportunities through external training and internal career development programmes
- Mental health initiatives, including free therapy/counselling
- Physical wellbeing initiatives including active support and challenges

A bit about us...

2M Equest, a 2M Group Company is an industry leader in supplying natural consumer stains.

Featuring a comprehensive portfolio of test products, Equest manufacture an extensive range of stained fabrics which are used worldwide in the development of high-performance detergents.

As part of the 2M Group of Companies, we are a friendly team with an innovative culture that works together to get things done. We trust everyone equally and fairly and encourage our people to be truly creative and think outside the box.
