

Process Operator

Permanent/Full Time Milton Keynes

Are you looking to start a career in cosmetic and food manufacturing?
Are you organised, with a keen eye for detail?
Are you an experienced multitasker with a passion for manufacturing?

If you are looking for a role that will challenge you, whilst developing your analytical skills and investigative mind, then this role is for you.

2M Manufacturing are looking for a Process Operator to join our friendly and dynamic team based in Milton Keynes. This is an exciting opportunity to make your mark and start your career within the chemical industry.

What you'll be doing...

Reporting to the Production Manager you will be responsible for processing raw materials and manufacturing finished goods following written work instructions.

- Preparation and quality checks of required packaging and raw material ingredients
- Assisting in the manufacture, packing, labelling and despatch of products
- Working to an approved method you will be trained to manufacture a variety of finished goods to customer and quality specifications
- Handling of empty packaging and hazardous/non-hazardous product in the form of bulk tankers and packed goods.
- Ensuring daily KPI's are met, and any production issues are reported to your manager
- Identifying and suggesting opportunities for improvements across the site

Your background...

Must have...

- Experience of working to high safety standards
- Experience of working in a food or cosmetic quality standard environment
- Ability to meet deadlines whilst performing to a high quality standard
- Effective team player with excellent verbal and written communication skills.

Nice to have...

- Previous manufacturing experience
- Experience of handling chemicals
- Operation of process equipment - knowledge of filling equipment such as flow meters, filling machines, pumps
- FLT License
