

SHEQ Supervisor

Permanent/Full Time
Runcorn

Are you a driven SHEQ professional ready to make a real impact in a dynamic chemical business?

Banner Chemicals is looking for a proactive and committed SHEQ Supervisor to join our team. This is a fantastic opportunity for someone who is passionate about safety, quality, and continuous improvement, and who thrives in a collaborative, fast-paced environment. You'll take a hands-on role in promoting SHEQ excellence across the business—supporting teams, driving compliance, and influencing positive behaviours at all levels.

What you'll be doing...

The Safety, Health, Environmental and Quality Supervisor will provide varied and important support to the Runcorn site in all SHEQ related matters.

- Supporting the Investigation of significant health and safety incidents and facilitate the production of reports, documentation and identification of root cause and business improvements within the required timescales.
- Facilitating internal and external audits i.e., BSI Pas99, ISO 45001, Insurance audits. Liaison with the HSE and the Environment agency.
- Raising awareness of risk and providing the local Site Manager and Group HSE Manager with assurance that the management framework of Health & Safety is effective
- Review of Health, Safety and Environment documentation and developing new policies, systems considering new and current legislation, best practice, and business needs.

Your background...

Must have...

- Certificate in Occupational Health and Safety.
- Able to Facilitate internal and external audits i.e. BSI PAS99, ISO 45001, Insurance audits, and regulatory audits.
- >5 years in a safety and environmental management system leadership role in a chemical manufacturing environment, preferably on a COMAH establishment.
- A strong team player with strong work ethics

Nice to have...

- NEBOSH General Cert / Diploma in Occupational Health and Safety.
- Experience communicating with local authorities (HSE, EA, etc).
- Understanding of 'Process safety' in relation to high hazard processes
- Computer literate particularly in Microsoft packages.
- Experience of ISO 9001 / 14001 and OHSAS 45001

What we can offer you...

- Generous holiday allowance with buy/sell holiday scheme.
- Flexible hours
- Hybrid working
- Genuine professional development opportunities through external training and internal career development programmes
- Mental health initiatives, including free therapy/counselling
- Physical wellbeing initiatives including active support and challenges
