

Mergers & Acquisitions Internship

Founded in 2004, The 2M Group of Companies has rapidly grown its family of companies both through organic growth and acquisitions. 2M's strategic focus is to continue the expansion both domestically and internationally. As part of this strategy, 2M are looking for a forward-thinking intern to join the existing in-house Mergers & Acquisitions (M&A) team.

We are looking for a self-starter with the ability to work independently at pace. The ideal applicant will be currently enrolled in their penultimate year of study and be studying towards a Bachelor's or Master's degree in any STEM (Science, Technology, Engineering or Maths) subject.

Reporting to the Group Strategy and M&A Executive, key responsibilities will include supporting the progression of key M&A projects across the Group through identifying and executing opportunities. As part of a small and agile team, this role is extremely flexible, with plenty of opportunity to make a true impact in the Strategy and M&A function.

About the 2M Group of Companies

Maintaining a portfolio of Material & Life Science companies, the 2M Group of Companies is committed to delivering chemistry-based solutions for a better life today and a better world tomorrow.

Headquartered in the UK, and with sites in Benelux, Brazil, China, France, Germany, Ireland, Poland and Nordic region, we export speciality chemical ingredients to customers over 90 countries.
