

## .NET Developer

The 2M Group of Companies are looking for an enthusiastic .NET Developer who has a “can do” attitude and passion for everything digital.

This is a very exciting opportunity to join a growing, multinational company at the digital forefront of the chemical industry.

## About the 2M Group of Companies

Maintaining a portfolio of Material & Life Science companies, the 2M Group of Companies is committed to delivering chemistry-based solutions for a better life today and a better world tomorrow.

As well as being a digital leader, we are proud to offer an extremely family-friendly and flexible working environment.

Headquartered in the UK, and with sites in Benelux, Brazil, China, France, Germany, Ireland, Poland and Nordic region, we export speciality chemical ingredients to customers over 90 countries.
