

Maintenance & Project Supervisor – North-West

Permanent/Full Time

Are you an experienced maintenance/project supervisor with a background in the chemical industry?

The 2M Group of Companies are looking for an organised and driven individual with a mechanical/electrical/multi-skilled background to join our friendly and dynamic maintenance teams based in the North-West (Liverpool/Runcorn area).

This is an exciting opportunity to make your mark and support our small but determined maintenance teams in the North-West across three sites in the Liverpool & Runcorn area.

What you'll be doing...

Reporting to the Group Maintenance Manager, you will ensure the timely and safe execution of all maintenance tasks, working to procedures and relevant legislation for all sites, including:

- Managing the sites maintenance programme across our sites at Liverpool and Runcorn using the company Computerised Maintenance Management System as a tool to ensure planned maintenance is completed on time and defect management is prioritised and planned accordingly.
- Managing assets using the site maintenance management system, including ensuring new assets are fully recorded, with maintenance plans implemented.
- Take an active part in site audits both internally and by outside organisations (for example, the HSE, BSI)
- Lead minor projects that are taking place on the sites, including planning, administration, scheduling, contractor control, cost control.
- At times of heavy workload, and if necessary, provide an additional technical resource for hands on maintenance tasks.

Your background...

Must have...

- Completed technical apprenticeship in either a mechanical or electrical discipline.
- BTEC Level 3 diploma (or BTEC ONC) in mechanical or electrical discipline as a minimum
- Experience of running maintenance on a COMAH chemical led site.
- Good IT skills are essential, particularly in Microsoft Office products.

Nice to have...

- A degree/HNC/HND in a related discipline.
- Working knowledge of relevant legislation including DSEAR/ATEX, PUWER, LOLER etc
- Prior experience of hands-on maintenance is desirable.
- Experience of managing a team.
- Competent with AutoCAD and/or MS Visio for ECI drawings

What we can offer you...

- Flexible Office/Home based working.
- Based in the Liverpool/Runcorn area.
- Working hours of Monday – Friday 7:30am – 4:30pm.
- Career development and extensive training opportunities.
- Generous holiday allowance with buy/sell holiday scheme.

A bit about us...

Maintaining a portfolio of Material & Life Science companies, the 2M Group of Companies is committed to delivering chemistry-based solutions for a better life today and a better world tomorrow.

2M Group is headquartered in the UK with customers in over 90 countries. We have established a strong presence as market leaders in the chemical industry since our formation in 2004.

We are a friendly team with an innovative culture that works together to get things done. We trust everyone equally and fairly and encourage our people to be truly creative and think outside the box.
