

HGV Class 2 Driver

Full Time/Permanent Leicester

Are you an experienced HGV Class 2 Driver ready to take the next step in your career with a dynamic and growing company?

Stowlin Limited is recruiting for an HGV Class 2 Driver for the Leicester site. The HGV Driver will provide important support to the business ensuring the safe delivery of chemicals to the customer. The successful candidate will have the appropriate licence and have a strong awareness of the UK highway code. To succeed in this role, you should have thorough knowledge of chemical distribution, hazard awareness, and safety requirements. Ultimately, you will ensure that all shipments are delivered safely on time and in a professional manner with customer service and the forefront of everything we do.

What you'll be doing...

The HGV Driver will report directly to the Transport Manager and will be responsible for driving large goods vehicles, logging delivery information correctly and being vigilant of correct delivery times.

- Ensure company compliance of operating license.
- Ensure compliance of personal records – safety record, driving hours, breaks, legal compliance
- Keep organised paperwork and records throughout day.
- Load management – product checks, segregation, load security
- Completing all required and reoccurring training sessions as instructed
- Conduct regular safety audits on equipment in conjunction with Senior Driver and Site Supervisor
- Ensure Compliance to the highest standards of Health, Safety, and Environmental performance across the site manufacturing

Your background...

Must have...

- Proven work experience as an HGV Driver
- HGV Class 2 Driver qualification
- Chemical/ADR driver experience/license, ADR qualification
- Current CPC Driver card
- Understand and support the importance of customer excellence
- Good communication, interpersonal and organisational skills

Nice to have...

- Chemical bulk discharge experience

What we can offer you...

- Offsite Based - Wigston, Leicestershire
- Start time 05:30 – 07:30am
- Generous holiday allowance with buy/sell holiday scheme.
- Genuine professional development opportunities through external training and internal career development programmes
- Mental health initiatives, including free therapy/counselling
- Physical wellbeing initiatives including active support and challenges

A bit about us...

Stowlin strives to deliver chemistry-based solutions for a better life today and a better world tomorrow. Headquartered in the UK, we supply chemicals and offer technical knowledge worldwide for a range of material science industries. We offer an innovative, inspiring, and truly creative environment where we motivate and encourage brand new ideas, contributing to providing the best of the best commercial services to our clients. As part of the 2M Group of Companies we are a friendly team with an innovative culture that works together to get things done. We trust everyone equally and fairly and encourage our people to be truly creative and think outside the box.
